

New for 2006

New for 2006 ASTM US; Version 4.0 A CD-ROM based training tool for the ACI Concrete Field Testing Technician, Grade I. The CD, which covers all seven ASTM standards addressed by ACI's certification, is designed to be self-paced, interactive and effective for all styles of learning. The CD includes text, a slide presentation and a video demonstration for each of the seven test procedures. Developed by eTEC, Engineering Training and Education Consultants. Visit eTEC at www.go2etec.com
